

FAMILY SERIES

Choose-What-You-Pay

We are excited to introduce a new pricing model that puts the power of choice in your hands. To ensure the arts remain accessible to all our neighbors in the Lehigh Valley, you decide the price of your tickets.

- **How it works:** All seats for Family Series shows will have a choice of three prices: **\$5, \$10, or \$15** (with the exception of Minty Fresh Circus: \$10/\$15/\$20).
- **The Impact:** When you choose to pay the highest listed price, you directly support access to the arts for thousands of neighbors throughout our community.
- **The Perk:** This season, Family Series events have **reserved seating**, so you can choose your seats as well as the price you pay!

This season, we're reimagining our Family Series to be more accessible, flexible, and affordable for our community. From first-time theatergoers to seasoned visitors, our Family Series is designed to meet you exactly where you are.

Forget the rigid rules of traditional theatre. Zoellner's Family Series performances are relaxed and movement-encouraged.

- **Non-Shushing Shows:** We want to foster curiosity, not quiet it!
- **Movers & Shakers Welcome:** While seats are reserved, we have a dedicated area in the hall for those to move to if they feel the need to roam.
- **Open Door Policy:** Feel free to enter and exit the theatre whenever necessary.
- **Relax Room:** Need a breather? A quiet "Relax Room" is available for breaks at any time where we will simulcast the performance at a low volume.
- **Sensory Support:** Sensory kits are available upon request to ensure everyone stays comfortable. Personal sensory tools are always welcome into our theatres.
- **Activities:** Our partners, The Kellyn Foundation and Bright Horizons will provide pre- or post-show activities in the lobby with tips, treats, and activities.

Single Tickets: Choose-What-You-Pay pricing is available for single ticket purchases only.

Subscribers: While Family Series events do not count towards a 3-event subscription package, they can still be added to your subscription order!
