**ZEPHYR**

In *Zephyr - A Whirlwind of Circus* by Cirque Mechanics, audiences will witness the unrelenting tug of war between man and nature, in the name of progress. Humans have been harnessing the power of the wind for thousands of years. The beauty and efficacy of that timeless and ingenious process inspired the creative team at Cirque Mechanics to create *Zephyr*, a theatrical circus show that harnesses human power, instead of wind, to generate an energetic acrobatic experience.
